Where are my other CP³P badges?

If you cannot see all of your CP³P badges in your Candidate Portal, this could be because you have registered for the exams using different email addresses.

You will need to merge your accounts, so that they can all be accessed from the same place.

To merge your accounts, click on your name and then 'Merge Accounts'. You will need to enter the other email address you have used.

The screenshot shows the APMG International Candidate Portal. The top navigation bar includes the APMG International logo, a home icon, 'Exams', 'Badges and Certificates', a user profile for 'Bob', and a 'Contact APMG' link. The main content area is titled 'Exams' and features a 'Filter Exams' button. Below this is a table with columns for 'Title', 'Booking Ref', 'Session Id', 'Language', and 'Date'. A dropdown menu is open under the 'Bob' profile, listing options: 'Account', 'Change Password', 'Merge Accounts', and 'Log Out'.
